Shine on

song lyrics : kakunoshin

A time when doubts creep in and the light seems weak,
When dreams fade and hope begins to fade,
In the silent night, fear takes hold of you,
Feel the whisper of courage, let's take flight.

Through the storms and trials we face,
Even in the darkest moments, there is light.
Step by step, leave the past behind,
Embrace the unknown.

Open your hearts, find the strength deep within.
Tomorrow is open, let's ride on that door.
Though the road may be steep and the sky gray,
Believe in yourself, there is a brighter way.

When the world weighs you down and the burden is heavy,
Know that you are not alone, there is a light to guide you.
In the darkest night, kindle the flame within,
Light the way, take back your name. oh...

Open your heart, find the strength deep within
The door to tomorrow is open, let's ride that door.
Though the road may be steep and the sky gray
Believe in yourself, there is a brighter way.

When the world weighs you down and the burden is heavy,
Know that you are not alone, there is a light to guide you.
In the darkest night, kindle the flame within,
Light the way, take back your name. oh...

Open your hearts, find the strength deep within.
Tomorrow is open, let's ride on that door.
Though the road may be steep and the sky gray,
Believe in yourself, there is a brighter way.

Shine on

song lyrics : kakunoshin

A time when doubts creep in and the light seems weak,
迷いがよぎり、弱気になりそうな時だったり、
When dreams fade and hope begins to fade,
夢がかすみ、希望が色あせ始める時だったり、
In the silent night, fear takes hold of you,
夜が来ると不安に押しつぶされそうになる

Feel the whisper of courage, let's take flight.
かすかな心を感じ、勇気を出して飛び立とう。
Through the storms and trials we face,
立ちほだかる試練を乗り越えて
Even in the darkest moments, there is light.
どんなに辛いときでも、希望はあるさ
Step by step, leave the past behind,
一歩ずつでいい、余計な過去はいらない
Embrace the unknown.
未知の世界を受け入れよう

Open your hearts, find the strength deep within.
心の奥底に隠れている強さを見つけてよ
Tomorrow is open, let's ride on that door.
さあ行こう、明日への扉は開いてるよ
Though the road may be steep and the sky gray,
たとえ雲行きあやしい険しい道だとしても
Believe in yourself, there is a brighter way.
自分を信じれば、明るい未来が開けるさ

When the world weighs you down and the burden is heavy,
不安に押しつぶされそうになったとしても、
Know that you are not alone, there is a light to guide you.
ひとりじゃないよ、光があなたを照らしてくれる
In the darkest night, kindle the flame within,
この暗闇の中で、内なる炎を燃やしてくれ
Light the way, take back your name. oh…
本当の自分を取り戻そうよ

Open your heart, find the strength deep within
心の奥底に隠れている強さを見つけてよ
The door to tomorrow is open, let's ride that door.
さあ行こう、明日への扉は開いてるよ
Though the road may be steep and the sky gray
たとえ雲行きあやしい険しい道だとしても
Believe in yourself, there is a brighter way.
自分を信じれば、明るい未来が開けるさ

When the world weighs you down and the burden is heavy,
不安で押しつぶされそうになったとしても、
Know that you are not alone, there is a light to guide you.
ひとりじゃないよ、光があなたを照らしてくれる
In the darkest night, kindle the flame within,
この暗闇の中で、内なる炎を燃やしてくれ
